

Technical questionnaire

Cannabis pharmaceutical

CPVO/TQ-276/1-ph

Mandatory fields or sections are marked with an asterisk ()*

01 . Botanical taxon: name of the genus, species or sub-species to which the variety belongs:

Cannabis sativa L.

Other (please specify)

02 . Application code:

For office use only

03 . Breeder's reference:

Breeder's Ref.

04 . Information on the breeding scheme and propagation of the variety ***04 . 01 . Breeding scheme ****(this question could be confidential)*

crossing	Indicate parent varieties
mutation	Indicate parent variety
other	Please specify

04 . 02 . Method of propagation of the variety *

seed propagated
 vegetatively propagated

04 . 03 . Seed propagated varieties *

self-pollination
 cross-pollination - population
 cross-pollination - synthetic variety
 feminized seeds
 other

Please provide details

04 . 04 . Vegetative propagated varieties *

cuttings
 in vitro propagation
 other

Please provide details

04 . 05 . Other information on the method of propagating the variety *

Please specify *

05 . Characteristics of the variety to be indicated *

05 . 01 . Time of female flowering *

1 - very early

2 - very early to early

3 - early

4 - early to medium

5 - medium

6 - medium to late

7 - late

8 - late to very late

9 - very late

05 . 02 . Inflorescence: THC content (10) *

1 - absent or very low	Please indicate percentage
2 - very low to low	Please indicate percentage
3 - low	Please indicate percentage
4 - low to medium	Please indicate percentage
5 - medium	Please indicate percentage
6 - medium to high	Please indicate percentage
7 - high	Please indicate percentage
8 - high to very high	Please indicate percentage
9 - very high	Please indicate percentage

05 . 03 . Inflorescence: CBD content *

1 - absent or very low Please indicate percentage

2 - very low to low Please indicate percentage

3 - low Please indicate percentage

4 - low to medium Please indicate percentage

5 - medium Please indicate percentage

6 - medium to high Please indicate percentage

7 - high Please indicate percentage

8 - high to very high Please indicate percentage

9 - very high Please indicate percentage

05 . 04 . Only for vegetative propagated varieties for pharmaceutical use: Plant: sex expression

1 - dioecious female

2 - dioecious male

3 - monoecious plants with male and female flowers

05 . 05 . Only for seed propagated varieties: Proportion of monoecious plants

1 - absent or very low	Please indicate percentage
2 - very low to low	Please indicate percentage
3 - low	Please indicate percentage
4 - low to medium	Please indicate percentage
5 - medium	Please indicate percentage
6 - medium to high	Please indicate percentage
7 - high	Please indicate percentage
8 - high to very high	Please indicate percentage
9 - very high	Please indicate percentage

05 . 06 . Only for seed propagated varieties: Proportion of dioecious female plants

1 - absent or very low	Please indicate percentage
2 - very low to low	Please indicate percentage
3 - low	Please indicate percentage
4 - low to medium	Please indicate percentage
5 - medium	Please indicate percentage
6 - medium to high	Please indicate percentage
7 - high	Please indicate percentage
8 - high to very high	Please indicate percentage
9 - very high	Please indicate percentage

05 . 07 . Only for seed propagated varieties: Proportion of dioecious male plants

1 - absent or very low	Please indicate percentage
2 - very low to low	Please indicate percentage
3 - low	Please indicate percentage
4 - low to medium	Please indicate percentage
5 - medium	Please indicate percentage
6 - medium to high	Please indicate percentage
7 - high	Please indicate percentage
8 - high to very high	Please indicate percentage
9 - very high	Please indicate percentage

05 . 08 . Plant: natural height (14) *

1 - very short
2 - very short to short
3 - short
4 - short to medium
5 - medium
6 - medium to long
7 - long
8 - long to very long
9 - very long

06 . Similar varieties and differences from these varieties

Please note that information on similar varieties may help to identify comparable varieties and can avoid an additional period of testing.

06 . 01 . Are there any similar varieties known? *

- Yes
No

06 . 02 . Similar varieties and differences from these varieties: *

Denomination(s) of variety(ies) similar to your candidate variety	Characteristic(s) in which your candidate variety differs from the similar variety(ies)	Describe the expression of the characteristic(s) for the similar variety(ies)	Describe the expression of the characteristic(s) for your candidate variety

07 . Additional information which may help to distinguish the variety ***07 . 01 . Resistance to pests and diseases ***

Yes, specify

No

07 . 02 . In addition to the information provided in sections 05 and 06, are there any additional characteristics which may help to distinguish the variety? *

Yes, specify

No

07 . 03 . Are there any special conditions for growing the variety or conducting the examination? *

Yes, specify

No

07 . 04 . Other information ***07 . 04.01 . Main use ***

bast fibre and woody core

oil seed

pharmaceuticals

other use (specify)

07 . 04.02 . Growing region *

Please specify *

07 . 04.03 . Variety conditions *

only in the greenhouse

only in the open

in the open and in the greenhouse

07 . 05 . Photo

It is recommended to provide a representative colour image of full grown plant(s) of the variety to accompany the Technical Questionnaire.

08 . GMO-information ***08 . 01 . GMO-information required ***

The variety represents a Genetically Modified Organism within the meaning of Article 2(2) of Council Directive EC/2001/18 of 12/03/2001.

Yes

If yes, please attach in point 08.02 a copy of the written attestation of the responsible authorities stating that a technical examination of the variety under Articles 55 and 56 of the Basic Regulation does not pose risks to the environment according to the norms of the above-mentioned Directive.

No

08 . 02 . In case of GMO, joint attestation of the responsible authorities stating that a technical examination of the variety under Articles 55 and 56 of the Basic Regulation does not pose risks to the environment according to the norms of the above-mentioned Directive.

09 . Information on plant material to be examined *

The expression of a characteristic or several characteristics of a variety may be affected by factors, such as pests and disease, chemical treatment (e.g. growth retardants or pesticides), effects of tissue culture, different rootstocks, scions taken from different growth phases of a tree, etc. Consequently the plant material to be examined should not have undergone any treatment which would affect the expression of the characteristics of the variety, unless the competent authorities allow or request such treatment. If the plant material has undergone such treatment, full details of the treatment must be given. In this respect, please indicate below, to the best of your knowledge, if the plant material to be examined has been subjected to:

09 . 01 . Micro-organisms (e.g. virus, bacteria, phytoplasma) *

Yes, specify

No

09 . 02 . Chemical treatment (e.g. growth retardant or pesticide) *

Yes, specify

No

09 . 03 . Tissue culture *

Yes, specify

No

09 . 04 . Other factors *

Yes, specify

No

10 . Possible place of the technical examination

In case the CPVO needs to arrange a technical examination for this candidate variety, there might be more than one examination office entrusted by the CPVO suitable to grow your variety. In this case, the Office will decide on the place of the technical examination but you might wish to express here a preference in respect of an examination office. The available entrusted examination offices for that species can be found in the S3 Gazette under:<http://cpvo.europa.eu/en/applications-and-examinations/technical-examinations/entrusted-examination-offices>

You will also find in the S2 Gazette further information about submission of plant material and deadlines for numerous major species:<http://cpvo.europa.eu/en/applications-and-examinations/technical-examinations/submission-of-plant-material-s2-publication>

10 . 01 . Country where the examination could take place

Country
